### New Policy - To enhance the learning experience for everyone

There will be a **definitive break** between the 1st and 2nd arrangements at about 1:15PM, to allow all students the opportunity to watch the critiques of all the arrangements and everyone the chance of a "snack break".

**Do not take your arrangement apart until all arrangements have been critiqued. If you need to leave before all arrangements have been critiqued, you will not get credit for the lesson. Plan to be at the lesson accordingly.**
